Bulgarian Association for
Drug Information (BADI)

Bulgarian Association for Drug Information (BADI)

BADI is a non-governmental & non-profit legal entity organization with over 60 corporate and over 90 individual members.

BADI works for improvement of the qualification, enhancement of the professional competence of its members, as well as activities related to the public interest in the field of drugs.

BADI supporting science research, education and regulatory activities in the field of drugs, medical devices, nutritional supplements, cosmetics and other products relevant to public health and creating a platform for constructive dialogue between regulatory bodies, universities, the industry professionals and professional organisations, and non-governmental organisations with analogic or similar activity.

In 2020, **BADI** celebrated the 10th anniversary with one of the most significant events in the field of drug regulation Drug Regulatory Affairs e-Congress | Meet the Regulators | 10 Years BADI, on 5th of June 2020, with the participation of the leaders in the field of European Drug Regulations - the directors of EMA, EDQM, BDA, representatives of three other EU agencies, the director of Paul-Ehrlich-Institut, experts of BfARM, Universität Bonn, Lübeck University and others.

Prof. Guido Rasi, EXDIR of EMA
