Dear Prof Benisheva

It was a true pleasure and honour to participate to the BADI 10<sup>th</sup> Anniversary Conference on Friday 5<sup>th</sup> June and my sincere congratulations for this milestone. The event run flawless and went very well despite being virtual in view of the current COVID-19 crisis.

I truly enjoyed listening to all the other presentations and interesting questions from the audience and other participants.

Thank you again to you and to Dr Bogdan Kirilov for inviting me to this special occasion.

With best personal regards
